

MOVING WALL SYSTEM

The multifunctional office system by Moving Walls offers almost unlimited possibilities of application. The individual modules and elements can be freely combined and utilized according to the working processes and activities.

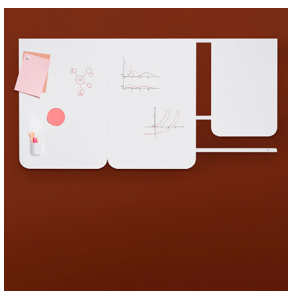

MOVING WALL

The magnetic, writeable wall Moving Wall is a tool for agile working and mobile space making. In contrast to the classic whiteboard, the high-end, mobile wall allows for innovative collaboration methods and is thus an essential tool for future-oriented work processes.

MOVING ACOUSTIC PANEL

The Moving Acoustic Panel is part of the multifunctional office system by Moving Walls. The functional acoustic panel improves the room acoustics and simultaneously serves as a pinboard.

MOVING PANEL

The magnetic, writeable Moving Panel is a versatile tool and the ideal extension of the mobile whiteboard Moving Wall. The wafer-thin, frameless panel is available in two functional sizes and can effortlessly be attached to the extensive Moving Wall.

MOVING CUP

The magnetic pen holder Moving Cup is a practical accessory at work. The reduced Moving Cup can be easily pinned to the Moving Wall as well as to the Moving Panel and holds markers as well as cloths and other necessary work utensils.
