

MOVING TABLE LOW

The Moving Table is a multifunctional and practical office tool. Resting on two solid wood three-leg trestles, the lightweight writeable table top simultaneously doubles up as a spacious presentation panel for the wall.

Complementing the modular self-contained office system by Moving Walls, the Moving Table's top can be leaned against the wall save from slipping or hung into the wall-mounted rail system Moving Rail.

The table's clever construction guarantees an easy assembly as well as a tool-free storage, making it the perfect agile working tool to cooperate in differently sized groups and in varying working requirements.

DESIGNER	Jörg Boner
ORIGIN	Table legs made in EU Table top made in Switzerland
DESCRIPTION	Mobile, writeable table with a multifunctional table top.
SURFACE	Dry erase high performance surface
MATERIAL	Table top: lightweight Table legs: Ash-tree, nature Other materials on demand.
