All data, products and prices are subject to change.

MOVING WALLS

MOVING WALL

The magnetic, writeable wall Moving Wall is a tool for agile working and mobile space making. In contrast to the classic whiteboard, the high-end, mobile wall allows innovative collaboration methods and is thus an essential tool for future oriented work processes.

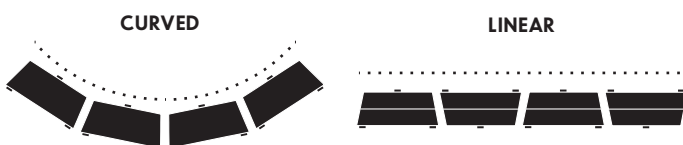

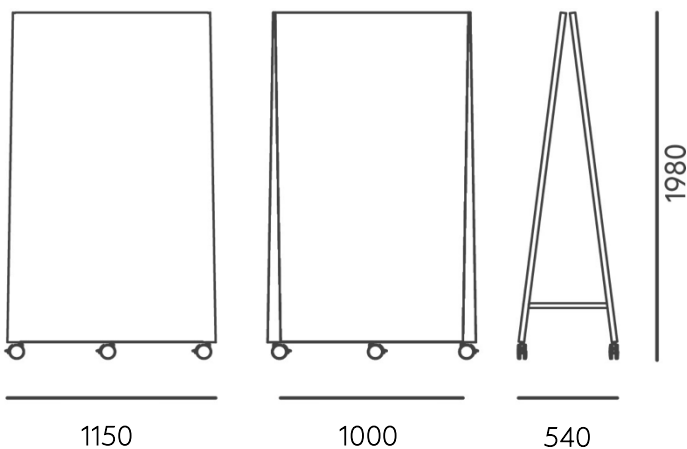

Conceptualised as an individual element, the tool is absolutely modular and can be stringed together as often as desired in a straight line or as a circular arc. The easy assembly facilitates a speedy transport, making the Moving Wall also a great mobile room divider as well as a helpful storage facility.

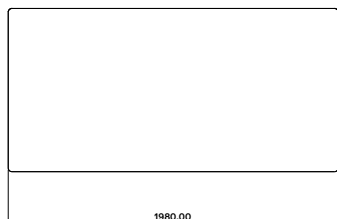

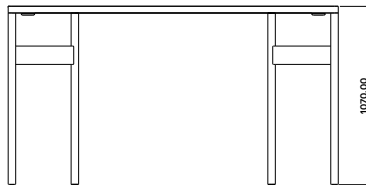

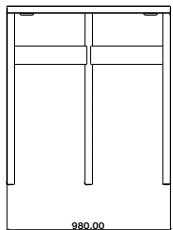

DESIGNER	Jörg Boner
MADE	in Switzerland
DESCRIPTION	Mobile, magnetic, writable and connectable wall

DIMENSIONS

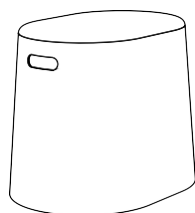

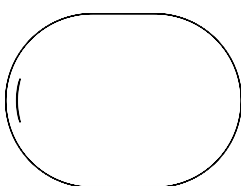

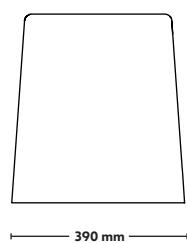

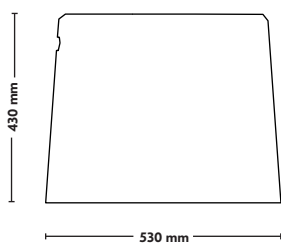

L 1980 x W 980 x H 1070mm
(L 77,95 x W 38.58 x H 42.13 inch)

MOVING STOOL

The Moving Stool is the perfect addition to a modular and multifunctional office. Made from recyclable form fleece, the surprisingly stable and lightweight stool has a generously proportioned and comfortable seat moulded into the top. The conic shape allows a practical stacking of the stool, thus making it another useful mobile working tool in an agile environment.

Turned on its upside, the stool also doubles as a practical container. The handhold cutout on the side of the stool allows for easy pick up and portability of the Moving Stool. Dimensioned to fit also stacked into the storage space inbetween the Moving Wall, the Moving Stool comes in a stone grey or anthracite colour.

DESIGNER: Jörg Boner

MADE in Deutschland

DESCRIPTION Mobile, stackable stool
